

# AUGSBURG LUTHERAN CHURCHES

*HOME FOR  
CONFESSIONAL  
LUTHERANS*

**We Know How You Feel!**  
Our mission is in service to  
Jesus for your sake!

Don't think for a moment we don't know your pain and frustration. We lived it for years trying to fight against the machine. But Jesus called us to be in fellowship together as confessional Lutherans believing the Word to be true, His grace to be sure, and His love to be healing and steadfast.

Anger, Stress, Fear, Guilt, Frustration, Betrayal

*Your present emotions are our healed emotions!*
